OF EXPORT &  
INTERNATIONAL  
TRADE

The Chartered Institute of Export & International Trade's MemberCon is returning on **Thursday 13 March 2025**. This is an essential opportunity for businesses and trade professionals to discover practical international trade insights.

## AGENDA STREAM 2

**INSIGHTS  
CONNECTIONS  
COMMUNITY**

Time	Stream 2	Speakers and chairs
11:15 GMT	<p><b>Practical workshop:</b> Ensuring sustainable supply chains.</p> <p>This session will focus on the importance of ensuring and maintaining sustainable supply chains, particularly given the rising importance of environmental regulations and policy.</p> <p>It will cover various supply chain issues, including labour standards, the introduction of Carbon Border Adjustment Mechanisms (CBAMs) in both the UK and EU, the EU's 'Green Deal' more generally, including its deforestation regulation, and the rising role of the US Carbon and Border Protection agency. Delegates will leave with actionable strategies for maintaining fair and sustainable trade practices, including strategies for mitigating the impact of carbon taxes and other sustainability-related levies.</p>	<p><b>Kevin Shakespeare FCIEx:</b> Advisory services director, Chartered Institute of Export &amp; International Trade</p> <p><b>Chaired by:</b> William Barns-Graham MCIEx, executive editor, Chartered Institute for Export &amp; International Trade</p>
12:30 GMT	Lunch and networking	
13:30 GMT	<p><b>Interactive policy discussion:</b> Expanding horizons and exploring new trade relationships</p> <p>This interactive session encourages delegates to share their priorities for developing new trade relationships. Contributions will directly influence our recommendations and guide discussions with key decision-makers, helping to shape high-level discussions on the markets which hold greatest opportunity.</p>	<p><b>Speaker: Bradley Porter:</b> Head of FTA utilisation, North America and SE Asia, Department of Business and Trade</p> <p><b>Chaired by:</b> Grace Thompson, UK public affairs lead, Chartered Institute of Export &amp; International Trade</p>
14:15 GMT	Networking	
14:45 GMT	<p><b>Practical workshop:</b> The Border Target Operating Model – including new sanitary and phytosanitary (SPS) rules.</p> <p>This workshop will explore the Border Target Operating Model (BTOM), including the new SPS rules that have been introduced because of it.</p> <p>Delegates will gain practical insights into BTOM compliance and learn about opportunities to shape future BTOM implementation through ongoing DEFRA consultations. The workshop will also cover opportunities for trade facilitation under BTOM, including digital trade corridors with Kenya and the EU.</p>	<p><b>Ilona Kawka MCIEx:</b> Digital trade &amp; customs specialist, Chartered Institute for Export &amp; International Trade</p> <p><b>Chaired by:</b> William Barns-Graham MCIEx, executive editor, Chartered Institute for Export &amp; International Trade</p>
16:15 GMT	Networking drinks reception
